Family Health Database PQ

Family Health Database includes journals and magazines covering a range of health subjects, from sports injuries to women's health, from food and nutrition to midwifery, from eye care to dentistry.

Feature Films for Education Collection

Courtesy of the Center for Excellence in Learning and Teaching (CELT). Feature Films for Education Collection offers online streaming of a wide range of feature films that focus on both current and hard-to-find titles, including dramas, literary adaptations, blockbusters, classics, science fiction, foreign films, social issues and animation studies, many of which are Academy Award-winning titles.

Film & Television Literature Index with Full Text

Film & Television Literature Index with Full Text offers a balanced collection of coverage from scholarly and popular sources, and spanning the entire spectrum of film and television studies. Variety movie reviews from 1914 to present and a vast image collection from the Motion Picture and Television Photo Archive are also included.

Films on Demand

Films on Demand offers online streaming video titles in the Humanities & Social Sciences, Business & Economics, Health, and Science.
