

# Connecting to CSU Guest WiFi

**Step 1: Connect to CSU Guest from your available networks.**

**Step 2: Open web browser and navigate to a webpage which will redirect you to Clayton State's registration page**

**Step 3: Read the acceptable use policy. Complete the registration form. (email not required if using SMS code)**

A screenshot of the Clayton State University registration form. It begins with a globe icon and text stating that users must read and agree to the Clayton State University Acceptable Usage Policy. A link is provided to view the policy. Below this, a large text box contains the policy text: 'By continuing on, you are agreeing to be bound by the Clayton State University Computer and Network Acceptable Use Policy. This policy can be viewed [here](#). This link will open in a new tab or window and will not interrupt the registration process.' The registration form includes fields for First Name (The), Last Name (Hub), E-Mail Address (thehub@clayton.edu), Phone Number, and Mobile Service Provider (AT&T). There is a checkbox for 'I agree to the Acceptable Use Policy' and a 'Complete Registration' button. A note at the bottom states: 'Please press the Complete Registration button only once.'
